Property and liability insurance is required for all rentals. COI must list Talamas Company, Inc. as the Certificate Holder with provisions for BOTH loss payee and additional insured. Equipment traveling outside the US must have worldwide coverage. Coverage must cover rental equipment value. Date range must include transit time of sub-rented equipment.

All new customer paperwork, tax exempt forms, and insurance documents require 2 business days to process for new client. From the moment an account has been authorized, we then ask for 24 hours before a rental can be picked up to allow for prep time.
