Headset Pairing

All remote headsets are pre-paired with the master headset at the factory. No pairing is required for initial use.

Pairing is only needed when adding a new headset to an existing system. During pairing, ensure the master headset and all connected remote headsets are powered on and already connected.

1. Press and hold the [A] button on the Solidcom C1 Pro master headset and the Volume - button on the Solidcom C1 Air headset simultaneously for 5 seconds. The indicator will flash rapidly while pairing.
2. Once pairing is successful, the indicator turns solid.
3. A single master headset can pair with up to 10 remote headsets.
