Insurance:

1. Property and liability insurance is required for all rentals. Binders must list Talamas Company, Inc. as the Certificate Holder with provisions for BOTH loss payee and additional insured. Equipment traveling outside the US must have worldwide coverage.
2. For items with a replacement value of less than \$20,000.00, Talamas may at our discretion waive the insurance requirement for a 10% charge based on the total rental cost. This charge covers loss or damage after a \$2,500.00 deductible. This charge may be applied, at our discretion, to any rental with a replacement value up to \$20,000.00 in the absence of an insurance binder provided by the client.
3. A hold may be placed on the client's credit card for either the insurance deductible for customers with insurance binders or for the replacement value of the rented equipment for customers who purchase the insurance waiver.

All new customer paperwork, tax exempt forms, and insurance documents require 2 business days to process for new domestic clients, and 5 business days to process for new international clients. From the moment an account has been authorized, we then ask for 24 hours before a rental can be picked up to allow for prep time.
