Applicant Address: 1301 Marina Village Pkwy #105, Alameda, CA 94501

Manufacturer Name: Clear-Com LLC

Manufacturer Address: 1301 Marina Village Pkwy #105, Alameda, CA 94501

Country of Origin: China Brand: CLEAR-COM Regulatory Model: CC-28

Caution: All products are compliant with regulatory requirements detailed in this document when the user follows all installation instructions and operating conditions per Clear-Com specifications.

Caution: Use of accessories and peripherals other than those recommended by Clear-Com may void the product's compliance as well as the user's authority to operate the equipment.

Caution: Product modifications not expressly approved by the party responsible for compliance can void the user's authority to operate the equipment.

Caution: Do not store the product in direct sunlight, near heating devices, or in hot, humid, or dusty places.

Caution: Do not allow the product to get wet. Do not handle the product with wet hands.

Caution: Discontinue use if skin irritation results from direct contact with the product.

Caution: To clean the product, wipe it with a dry cloth. Do not use alcohol, paint thinners or other solvents for cleaning purposes.

Notice About Specifications

While Clear-Com makes every attempt to maintain the accuracy of the information contained in its documentation, that information is subject to change without notice. Performance specifications included in this document are design-center specifications and are included for customer guidance and to facilitate system installation. Actual operating performance may vary.

European Union (CE Mark)

The CE marking indicates compliance with the following directives and standards, whenever applicable to the product in question.

Directives:

- Electromagnetic Compatibility Directive 2014/30/EU
- RoHS Directive 2011/65/EU and 2015/863/EU

Standards:

- EN55032
- EN55035
- EN50332-2
- EN50581

Warning: This is a Class A product. In a domestic environment this product may cause radio interference in which case the user may be required to take adequate measures.

REACH Warning Statement

The article logo nameplate is made of 4-Nonylphenol, branched and linear. It contains 9.297% w/w of a Candidate List Substance used as a plasticizer. The 4-Nonylphenol, branched and linear in the logo nameplate is mainly for cambered surface design. When using the headset, the article may come in contact with your skin. Please be careful not to let the article logo nameplate touch your skin when using this headset.

Waste Electrical and Electronic Equipment (WEEE)

The European Union (EU) WEEE Directive (2012/19/EU) places an obligation on producers (manufacturers, distributors and/or retailers) to take-back electronic products at the end of their useful life. The WEEE Directive covers most HME products being sold

into the EU as of August 13, 2005. Manufacturers, distributors and retailers are obliged to finance the costs of recovery from municipal collection points, reuse, and recycling of specified percentages per the WEEE requirements.

Instructions for Disposal of WEEE by Users in the European Union

The symbol shown below is on the product or on its packaging which indicates that this product was put on the market after August 13, 2005 and must not be disposed of with other waste. Instead, it is the user's responsibility to dispose of the user's waste equipment by handing it over to a designated collection point for the recycling of WEEE. The separate collection and recycling of waste equipment at the time of disposal will help to conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For more information about where you can drop off your waste equipment for recycling, please contact your local authority, your household waste disposal service or the seller from whom you purchased the product.

United Kingdom (UKCA Mark)

The UKCA (UK Conformity Assessed) marking is a new UK product marking that will be used for goods being placed on the market in Great Britain (England, Wales and Scotland). The UKCA marking alone cannot be used for goods placed on the Northern Ireland market, which require the CE marking or UK(NI) marking.

Warning: This is a Class A product. In a domestic environment this product may cause radio interference in which case the user may be required to take adequate measures.

CA PROP 65

Warning: This product can expose you to chemicals, which is [are] known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov
