Baseball

Minimise the 'Swoosh' when booming!

Baseball

“TAKE THE ‘SWOOSH’ OUT OF BOOMING!”

This ingenious little 3" windscreen has been designed for interior boom pole use, greatly reducing unwanted 'swooshes' during fast swings and other rapid movements.

The Baseball is available in two versions: a '19/20mm' and a '24/25mm'. Both versions have the same exterior dimensions, but come with different internal bore diameters to fit a variety of industry-standard microphones.

Compatibility

Baseball (19/20)

- DPA 4018
- Schoeps CMC Series
- Sennheiser MKH 8040, MKH 8050

Baseball (24/25)

- Sennheiser MKH 40, MKH 50

Features

- Increased performance over conventional foam windscreens
- Allows for rapid attachment and removal
- Durable and easily maintained
- Incredibly lightweight - only 17g*
- Offers general capsule protection to the microphone

*Weights & dimensions approximate.

A WHOLE NEW BALL GAME.

Incredibly lightweight (just 17g) and offering significantly increased performance over conventional foam windscreens, the Baseball is ideal for fast/deep booming and plosive reduction. It also helps to protect your mic.
